\$ 100 x _____ = \$ _____ due with this application, or the application will not be processed.
 # of lots total fee Make checks payable to: Dungeness Water Exchange

Section 4. AGREEMENT

I understand:

- All *Mitigation Water Availability* determination fees are non-refundable.
- I cannot use mitigation water on my property until I have completed my land division and receive a *Mitigation Certificate*.
- Before final plat approval, a complete and current *Mitigation Certificate* application and fee must be submitted to DWE.
- When applying for mitigation certificate, Ecology will determine if Group A service is “timely and reasonable.”
- At final plat approval, the owner requiring mitigation must concurrently record a water *Mitigation Certificate* and the final plat approval, agreeing to comply with all terms of the certificate.
- Any *Mitigation Water Availability* determination is only valid for the duration that the preliminary plat approval is valid.
